

Module 7

MONITORING AND EVALUATION

Assignment

Indian Association of Preventive and Social Medicine
Gujarat Chapter

Assignment

Last date of submission: 30th of Nov 2013.

Note: Short and comprehensive write up with greater intellectual input is expected.

Question: Write the Monitoring & Evaluation mechanism of any of the health program from field to state level:
RNTCP/ NACP/ ANY OF THE DISEASES UNDER NVBDCP/
ARSH/ANY COMPONENT OF RCH/ ANY OF MATERNITY
BENIFIT SCHEMES/ NBCP/ANY PROGRAM OR PROGRAM
COMPONENT OF YOUR CHOICE.

Some points to keep in mind before writing the Assignment.

1. The assignments are to assess your level of understanding about the topic, and capability of applying analytical skill, logical thinking and creative thinking using public health sense and field situation.
2. Your short writing filled with skills and senses mentioned above will get higher grade than elaborative writing without reflection of understanding.
3. We don't stress hard facts and figures; so don't waste time for searching, but key information (not necessary exact with citation of source) will enhance the level of your assignments.
